

# RAINER RENÉ MUELLER IN ISRAEL

January 6<sup>th</sup> – January 17<sup>th</sup>, 2019

We invite you to join a unique series of events with the poet Rainer René Mueller, one of the most prominent figures in contemporary German poetry. An heir to Paul Celan, during the last four decades Mueller has been writing dense, touching, at times violent poems that continue the reflection on German-Jewish tradition and legacy after 1945, while encompassing countless other realms, such as visual arts and music.
